CS: bout what? everything?

DS: nah, the Murph shit

RW: Yeah so we ain't talkin bout nothin cause I'm, I just get a little hundred. Shit we ain't talkin bout nothin, she get 500 at a time.

DS: Oh.

RW: So I can't go in there be, be talkin bout what the price, what the price. Yeah but she sell hers for forty every now and then if it's a person that gettin ten or better, she let him get it sometimes for thirty and sometimes thirty five dollars.

DS: Yeah.

RW: And we whining bout ten and fifteen. Shit, hell yeah that mother fucker there. I'm telling ya DD, that mother fucker there is an animal with them thangs. She getting five hundred at a time boy.

DS: Oh.

RW: Hell yeah and she ain't getting no complaints, she don't ya know she just. See I'm new so once I get a ya know once I can figure out a ya know, see you da pill man too. See I don't really ya know, I ain't new at all that, I'm new. So ya know once they start to eat it up, everybody that snort powder and shoot powder, do anything like that want em.

DS: Yeah.

RW: Yeah, once you tell em what you got, shit. but you got to be able to make you some money off of em and you can't you know. But see the only thing about certain type of shit, if you can get some play room, you can make some play room for others. But.

DS: Yeah.

RW: But I don't know nothin bout em yet. I can, I ya know so. Once I get where I can learn about em and all that stuff here you already know I'm gonna be in that nigga ear. I mean I ain't sayin nothing cause I don't really you know gettin enough....

DS: Top dollar, is top dollar on everything. But you know what I'm sayin. Then I'm forty and thirty five and shit.

RW: Well I'm just telling you what Tyler selling to her for. I mean.

DS: I mean syrup different from up there you know.

RW: Yeah yeah, well yeah yeah you right though. You damn sho, I'm tell ya somethin man and she go through them 500 she go through them bout a week sometimes it be two weeks, but no longer than that there. But I can't understand what the fuck, I ain't know what the fuck they do with em you know what I'm sayin, cause I don't get no whole lot of blacks fuck with em. I see three or four people black fuck with em, but not no whole lot.

DS: I mean shit I make my money what I put in, if I make that back shit the one I got extra, I just put it to the side and that up in case the plug run out. And I still got...

RW: Yeah yeah, then you'll have more money...laughing.

DS: Yeah.

RW: You be thinking like me half of the time.

DS: Yeah.

RW: Yeah but yeah it's all good though, whatever ya know. I think I think I got about twenty left, ah seventy, I don't know it should be bout that many.

DS: Aight.

RW: I'm call him, I'm gonna call see can I get some tomorrow though.

DS: Laughing...oh you got to pay a finders fee huh?

RW: Well yeah, no just if he ain't there, then you know if I call her you already know what the deal is so I don't sweat it I just say ok.

DS: OK.

RW: Ya know I just respect her so any way it go I just respect it I don't make no argument so long as I can make me two or three dollars. Long as it's coming, I don't want it to be no long term well uh, if I spend \$13-1400 today it's gonna take me three weeks to get dat and my lil ass off, I don't like that part. DS: I'm gonna change up I'm gonna find me a new hobby.

RW: Huh?

DS: You right I need to find me another hobby.

RW: On what? talking bout uh...

DS: I'm sayin case you if you sit on it for two or three weeks you gonna find you another hobby. You want something that gonna get gone right then.

Linesheet

User: TODD MIMS

sayin?

DS: Yeah.

RW: So that I ain't got no problem. That ain't but two maybe 250-\$300, but it ain't, it ain't but three four days so I ain't got no problem with that.

DS: Yeah.

RW: But if it's ya know takin two and three weeks and shit my money, yeah man unless I specific just to get em to put em up. Then when a bitch do want one or two I'm charging the max on it. So you know.

DS: Yeah.

RW: That's a difference, shit.

DS: Yeah.

RW: Hell yeah but you know I just you know when I be rollin I just roll right with it you know then when you go to lookin ugly then I know what to do shit. I'm bout like you buy me a few of em and then put em up. Then the price go up a little bit.

RW: Hell yeah, you good at that though. You, shit boy you good at that. You a number one stunner like that cause. Shit you'll have something when ain't nobody else got nothing. You still got some of that left? Hell yeah, you know?

DS: Right.

RW: You'll sit back though. You can do that when you got money though. See you got plenty money to do all that.

DS: I ain't got plenty money, but I'm tryin get myself back up there. I been doing what you ask, umm told me to do you know what I'm sayin? I got me a little jar I put that every week.

RW: Hell yeah.

DS: Every week I put me something in it.

RW: Yeah. This what I do, it's usually right there so when I come in at night if I don't go in my pocket and put it in at night, I'll put it in there in the morning when I leave. I'll put me, I been keepin out I got it set up where I do forty dollars a day.

DS: Yeah.

RW: I do forty dollars a day, that's \$280 a week. I don't give a damn if I ain't got but five dollars in my pocket, that's oh well. I'm sorry. I'll try to find some or I'll come bum some from DD.

DS: That's right.

RW: You know so. That's what I do, I do it everyday. But see you got to, I'm gonna build you one of them boxes so you ain't gonna be able to get it out so you might not need to put yours in no box.

DS: Yeah I do.

Linesheet

User: TODD MIMS

RW: Hell naw, yeah ok You ain't gonna be able to get it out unless you bust that bitch open.

DS: Yeah I'll bust it open once a year.

RW: Yeah see I said I'm gonna do mine probably uh, end of this year will be four years it'll be four years so I said five. Five years I'm um.....

DS: Crack that bitch open.

RW: Yeah I'm gon bust it. But I try not to put no dollars in there, but I got put change in there to push the money down. That's where it's at now. I got to put change in there to push it down. I stick knives and shit in there to push it down as much as I can but that shits stand up in my chest.

DS: Ok.

RW: Yeah, you know I'm gonna build you one of them boxes. I done built my daughter one, I done built her two. I done built my nephew one and another dude one, I build Donna one, Sandy one. She done got two of em, cause she busted hers. She got damn near, after about a year she got a hammer and all kinds of shit trying to bust that bitch open. She couldn't get in it. O/C to 334-208-8904 Andrea WRIGHT

Call from WRIGHT telling SHANKLIN that "Omar" stole a chain from him last night. At 17:58:11 WRIGHT begins to tell SHANKLIN that he sells eight balls for \$150 and gave "Omar" a ball for \$70. WRIGHT continues to tell SHANKLIN about looking for his chain then says his partner "Migo" called him, but he missed him.

17:58:55 begins transcription.

AW: My partna had hit me, "Migo", but I missed him but I just tried to call him back. And he gon hit me back and then uh, and he had gave me some information I'm gonna try to change it up.

DS: Well shit like I say I'm good for right now man.

AW: I know it I know it, I'm just gonna try to come up with something lil different. You know. Why is it like that, why when drop little it come more?

DS: Huh?

AW: Why is it when you drop a little it come back more than a lot?

DS: Shit man I can drop a lot and do what I want to do with it.

AW: I understand that.

DS: Man back in the day see, when I was fucking around with it I didn't know how to cook. I can cook a little bit, but I can't cook a lot. But nah, Shit. Hell Money kinda the one that taught me (unintelligible)

AW: Yeah. I know. I ain't trippin bout it. He sold me something different than what you sold me last night. But I was just like hell.

DS: Yeah but see he cook different than what I cook.

AW: Yeah.

DS: I like to get mines, he try to make it take a lot of water. I like my dope to be clean and white, that means the dope is mixed up real real good. That means you get a better taste of your work.

AW: Yeah. That old woman that was there last night hit a piece of that dope he whipped up of mine and it made her mouth drop. (talking over each other).

DS: See Shit like I told her, you just chasin a high.

AW: Yeah.

Linesheet

User: TODD MIMS

DS: Shit high don't last but fifteen minutes she be wanting some more.

AW: Yeah. Yep. I'm trying to make some moves right now.

DS: The thing about is, the thing you got man, what it is them, or whoever done god damn reblocked that shit, it's rerock.

AW: Ok.

DS: So you know it's work in there, but it ain't much in there.

AW: See that's what I was trying to tell Dirty last night, and he didn't know what to say.

DS: Yeah.

AW: Now when I go back I know what to say.

DS: See what it is, you know how mother fuckers, to many people done stepped on it. Ahh or somebody done took a whole lot out. See what it is they probably took, out a whole block they probably took bout eight out put eight in out of thirty sixes. And give you a little ticket.

AW: Yep.

DS: Nah for you not to really tell what's in it, I feel like you bought a whole one and take maybe three or four out and put three or four in then it is stil matched bout right.

AW: It'll be about 80%.

DS: Right.

AW: Yeah.

DS: But whoever took it extremely too far, and see you can really tell they extreme cause see I knew it was something on it anyway, cause you got to think about it, it looked to small to be zips.

AW: Right.

DS: See you know everything a lot of shit higher than weight, weight wise is heavier than the actual powder is. See you supposed to got at least a palm full for a zip.

AW: Umm hmm, but

DS: Then but nah, some people look at the crystals in the work that don't mean shit either cause all that shit is called is mother pearl. You can buy that shit and press in in there with the work.

AW: Yep.

DS: But, like I told you man, whenever you get time man, man I can show you how to cook too.

AW: Yeah shit you showed me something last night like I said shit, so what I got I can afford to throw three, five, seven in the pot and do the shit like you did and have me a little concrete to jump.

DS: Yeah.

Linesheet

User: TODD MIMS

AW: That little block you did last night I was telling them give me \$100 for that. It was three grams, \$100 double up.

DS: Yeah see I the one taught Travis.

AW: Yep that's what I'm fixin to start doin, dropping little bitty fake shit like I did last night.

DS: You ever heard from Travis?

AW: Uh uh. Said he over there in Dothan.

DS: Huh?

AW: Say he over there in Dothan.

DS: Oh he done moved back?

AW: I don't know, that's what my Pop was telling me.

DS: Oh.

AW: Yeah my Pop told me he was over there in Dothan.

DS: Yeah.

AW: I had to call y'all about "O" though man. That some fuck shit though man, cause he got me out here checking all my fuckin cars when I knew I had the shit. I just didn't put it on yet.

DS: I don't fuck with Omar man.

AW: Look look, I was headed to Montgomery, that's the only reason I stopped in there was to give him them Xanax's. And I didn't want to put the chains on til I served him then when I got to Montgomery I was gona put my chains on. Man that niggy, the whole box gone. I know that mother fucker, my old lady was still sayin Murph that shit was in this car when you got out. But I had, I was keeping up with that cook though.

DS: Yeah.

At 18:05:03 the conversation continues about "Omar" stealing a chain from WRIGHT.

SHANKLIN then begins to talk to WRIGHT about keeping his girlfriend and how to keep loyal people around him.

At 18:07:35 SHANKLIN turns back to telling WRIGHT what to do to keep money coming in.

Transcription begins again.

DS: Man be honest with you, shit think about it have you bought you bought five or six of em and shit and just sale you little balls and shit you make more money that way than trying to jump out there and sale zips.

AW: What you talking (unintelligible)

DS: Bring down to man sale you a ball, \$100 ball.

AW: You right you right you right, but I don't want to fuck the streets up like that though.

DS: Man you fucking the streets up anyway.

DS: Listen dawg, you ask me where it at and you ask me for my advise. I'm telling you what it is for real. When I was out there when I was getting all that money man, shit I dropped me about, I used to front Wayne bout ten of em, I used to front...

AW: That's really what I was trying to tell yall last night. I said look a hear, if yall would have gave me what the fuck I wanted last night, I will bring back, be real with me, what yall want me to bring back tomorrow?

AW: I got to talkin with Split yall thinkin I'm talkin crazy. Nah I'm talkin serious bruh.

DS: Man listen man I'm good, that's what I'm telling you dawg, I don't want no part of it. I work fine like I'm working nah.

AW: Uhh hmmm.

DS: I'm not, man I don't I don't even care if work was selling that shit. So what I'm telling you is, I used to drop Wayne off ten, used to drop Money off bout seven, I used to drop Travis off bout five, then I used to take me bout three of em myself used to take my brother bout three of em. I take mine and grind it while everybody else working I didn't rush yall to do it. I was making bout five six bands a month. So shit every time I went to the store, I just go up. I buy two more up, two more up and still pay my bills in the street, that's how I end up with the money. I'm telling you man you gotta use your head man, more than a hat rack.

AW: Yep yep yep. You right partna, I'm stackin hoes this go round right here.

DS: But the thing about it though dawg.

AW: (unintelligible)

DS: I'm just sayin man don't be in a rush dawsg, just...

AW: Yall already know I coulda went lower than I did last night, I just ain't ready for that right nah. Cause next month it'll be on. Told yall last night I could go lower than what I already came talkin to yall about and thats already low low. Hell if that's the case where you got \$1100 (unintelligible)

DS: Yeah.

AW: This (unintelligible) I'm gonna hit you back.
